15 - Well she, she, at the end of the
16 conversation she says to me, "Jim wasn't all
17 that bad." I says, "Well why don't you
18 phone the prison and get an appointment to
19 see him?" But she didn't so --

20 And did she say anything else
21 about, about Jim in that conversation? -

23 she would leave him penniless.

25 would leave him penniless.
