

1 ... at Jim's hand^s. - I have
2 never, I swear on my daughter's life, that I
3 have never said that XXXXX XXXXX raped
4 me.

5 You made a reference to Jim
6 and his pupils? - What kind of reference?

7 His school pupils. You said
8 something about him fucking his pupils? -
9 And when did I say that?

10 In the same telephone
11 conversation when you said that you would
12 ruin ... - No, I don't think so.

13 ... his life and his career.
14 -No. Is that at the times whenever I
15 said XXXXX XXXXX raped me?

16 The same conversation. - No
17 I didn't say it, no. I'm sorry it's lies.

18 Okay. So you don't accept
19 you said anything about XXXXX XXXXX and
20 you're offending at the suggestion? - I am
21 absolutely ... uh huh, I'm offended.

22 But you do accept that you
23 did in a telephone conversation with Jim
24 threaten to ruin his life and career? - Yes.
