

1        yeah, I spoke to him and I phoned him, uh  
2        huh, yeah.

3                                    And what did you say? - I  
4        just told him I was going to ruin him for  
5        what he'd done to me.

6                                    Did you ask him about what  
7        he'd done to you? - Yeah I think I did  
8        actually, uh huh.

9                                    And what was his reaction? -  
10       No, no.

11                                    Now when you divorced your  
12       first husband ... - Yes.

13                                    ...        am        I        right        in  
14       understanding that XXXXX, your big brother,        he  
15                                    gave evidence at that, in those court  
16                                    proceedings? - Yes he did, uh huh, yeah.

17                                    Ehm, so he supported you in  
18       your divorce application? - He was in my  
19       face, shall we say, through the whole  
20       divorce. And again, you know, I put up  
21       with it because I didn't want to upset my  
22       mother.  
23                                    Right. So if it was suggested  
24                                    to you that you would never have accepted  
25       help of that kind if ... - I --
